A fair history of the length of service of this official is found in para 4 of PWD II He was appointed on Rs 50/- per mensem and the scale of the post was revised on 1/4/40 & his salary was fixed at Rs 60/- in grade Rs 60-4-80 - from Feb'42 he is drawing Rs 68/- - In view of the Short Service of the Armadanahalli & of the fact that he recently got the grade of Rs 60-4-80 & has not even completed the grade & reached the maximum in that grade, & also of the shortcomings of the Official brought to the notice of Govt by the Md Comm^r (vide P 4-A II), it is held that the recommendation of the Md C deserves no consideration - Said Dept^l is invited to a list of Chief Officers panels for Dept^l - It is a matter for consideration why a Confidential hand from among those drawing Rs 100/- and above may not be selected for this post.

on Rs 79/- on the ML&C may be appointed as actg Supdt and transferred to Mysore & Mr. Seddappa, actg Supdt, Mysore early relieved for Bangalore and that if this recommendation cannot be approved, an Architect or an experienced Officer of the Revenue Deptt whose name is in the eligibility list of Architects may be selected for the post.

As against this proposal of the M/L Govt, the Vice President has, in his D.O. letter dated 20/8/42, suggested that no attention need be paid to the Comm's letter dated, for reasons given by him the services of the M.L.C. may be approved

It is seen from the statement showing the names of the actg Supdts of the Bangalore Mfg during the last ten years that the incumbents of the post were drawn from the Officials of the city M.L.C. only and were in the grades of Rs 100-10-150 + 25 SA The scale of pay of this post was revised recently to Rs 150-$\frac{25}{2}$-450, but it has not been given effect to so far by the M.L.C.

Coming to the legal aspect of the question, it may be stated that the posts of actg Supdt is not one of the statutory appointments like that of the Health Officer, M.L. Engineer or M.L.C. No rules have also been framed either by the M/L, Bangalore

-in regard to this and the allied appointments under sec 4 9 (b) (cc) of The Mysore city Mlties Act 1933, with the result that the appointment to the post is made by the city Mlt bd, with the approval of Govt although this is also the practice in Mysore city Mlty, where however, there are rules framed under the above section giving power to the Mlcl to determine the pay and allowances of such offrs under the orders of Govt

It may also be pointed out that this is a non-gazetted executive appointment and according to G.O. no 2 5347-407/M 27-28-4 dated 2nd Feby 1929, the post of the octroi Inspector Bloreaty - now designated as octroi Supdt, - is to be filled up generally by the offrs sent by Govt But this order has not so far been observed in practice as the statement flag to will show

Having regard to the facts stated above, the resolution of the Bloreaty Mlcl to appoint Mr C Annadanappa as octroi Superintendent, Bloreaty is for orders If the proposal is approved, he will be placed in the grade of Rs 100-10-150 + 25 C.A. p.m. as in the case of the previous octroi Supdts

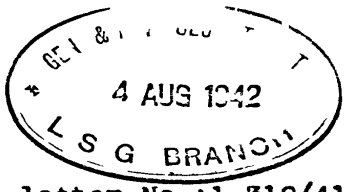
CONFIDENTIAL

CITY MUNICIPAL OFFICES
BANGALORE

Dated 24th July 1942



Dear Mr Narayanaswamy Naidu,

In continuation of this Office letter No.A1-319/41 dated 23-7-1942, forwarding the resolution of the Municipal Council proposing to appoint Mr. Annadanappa the Prosecuting Inspector of this Municipality as - Octroi Superintendent on 100-10-150-25/2-250 I request you to kindly bring the following facts to the notice of Government.

Mr. Annadanappa was appointed on Rs.50/- on 8-12-1937 as acting Prosecuting Inspector. The scale of the appointment was revised by Government in their Order No. L.6939-40/ Ml.26.39-75 dated 5-2-1940 and his salary was fixed at Rs.60/- in grade 60-4-80. He has begun to draw Rs.68/- from 5-2-1942.

I am not well impressed with his work generally. He lacks in adequate administrative experience. The - Octroi Department is a big branch of the Municipality with an annual income of over 4 lakhs of rupees. There are 60 officials in superior service and 58 menials in the establishment. That being so, I am of opinion that only an experienced Officer of fairly long service both in the ministerial and executive line can only be placed in -

in charge of such an important place.

Though Mr. Annadanappa belongs to the Vakkaligar Community and probably if the Government so direct may be given chances of promotion after he gets training in different - branches of the Municipality, I am positive that he is not at present suited for the post of the Octroi Superintendent either by experience in office work or executive work in any branch of municipal office proper. He lacks also the personality which I consider not unimportant for controlling a fairly big staff. The only work he has till now done is to prosecute municipal cases and he has not created a good impression on me. If only seniority of pay is to be considered, he is not even the senior-most official, as there is another raw graduate drawing Rs.90/- as Food Analyst.

In case we consider the total service, Mr. A. Subbaraj Urs. the Sanitary Inspector who is drawing Rs 79/- in grade 55-4-87 and who worked in the Mysore Octroi Office as Head Amin and Inoice Inspector for about 8 years has a claim for the post.

But in view of the importance of the place in the premier Municipality of Bangalore, I venture to submit that there is not one official suited for the post in this

MR ABDUL AZIZ KHAN
MUNICIPAL COMMISSIONER

Municipality. In case approval is accorded to the resolution of the Municipal Council, I am sure the interests of the department will be adversely affected. I may be pardoned for expressing my views strongly, as I feel that I would be failing in my duty if I do not apprise Government or my views in such an important matter.

Probably the Municipal Councils' point of view is that they should give promotion to their own man. While conceding this principle, I think we cannot sacrifice efficiency on the altar of an impracticable principle, as a suitable candidate is not available for the post for this particular appointment.

In case the Government desire to give a chance to a Municipal employee, I may be permitted to propose that Mr. Subbaraj Urs may be appointed to act as Octroi Superintendent and transferred to Mysore where the work is comparatively light and the grade also is low and Mr. Siddappa may be transferred to Bangalore

If the above proposal does not meet with the approval of Government, I may be permitted to suggest that either an

62 Government Order No L 11625-8/M1 55-41-101 dated 15-6-42 retransferring Mr S Siddappa, Octroi Superintendent, back to Mysore City Municipality

Resolution - Vide copy enclosed

Subject No 62

Mr L S Raju moved that the Government Order br recorded and Mr C Annadanappa be appointed as Octroi Superintendent

Mr M A Gopalaswamy Iyangar seconded the above

Mr C N Narasinga Rao said that he was opposed to the policy underlying the proposal before them It was not proper and just to select a junior when there was a competent senior above him Mr Srinivasaiah was senior to Mr C Annadanappa in service and was more experienced of the two He has been discharging his duties very satisfactorily and very conscientiously and was better fitted for the post of Octroi Superintendent which was of an executive measure Mr C Annadarappa has been all along a Prosecuting Inspector with absolutely ~~or~~ no such experience Hence it was better if the Council considered all the aspects and also the claims of Mr Srinivasiah and appointed him to the post

Mr M A Gopalaswami Iyengar speaking next said that three reasons had prompted them to come to the decision, viz , this post should be given to a Municipal employee, that seniority and merit should be taken into consideration while giving promotion, and the capacity of the individual to be appointed As re 1, r Annadanappa was Municipal employee like Mr Srinivasiah, re 2, Though Mr Srinivasiah had put in more number of service yet, Mr Annadanappa was senior to him since he had been confirmed in the grade ten days earlier and he was the seniormost among the officials in the grade for promotion As re qualification, Mr Annadanappa was a Law Graduate with vast experience of having conducted Octroi prosecutions and he had also rendered great service while compiling the ortroi bye-laws It was all these considerations that had induced them to appoint him as Octroi Superintendent

At this stage, Mr P Gargasetty wanted to know the qualifications of both Mr Srinivasiah and Mr Annadanappa and he was informed that Mr Srinivasiah was only a Lower Secordary while Mr Annadanappa was a Law Graduate

Mr K Shamaraja Iyengar further supported Mr M A Gopala Swami Iyengar and said that what they had done was quite just

Mr H R Guruv Reddy also supported the above and said that what they had done was in accordance with the rules of appointment and would satisfy the C R B also While giving promotion, it was mostly merit that was being considered and that Mr Annadanappa deserved what he had been given

Some of the members wanted to know what the Commissioner had to say in the matter and he replied that he had nothing to say and that he would abide by their decision

Dr Royan speaking next said that he was not opposed to Mr Annadanappa being posted as Octroi Superintendent, but he had to differ from them on a question of principle It was stated that Mr Annadanappa was selected because of his seniority and merit It was clear from the Statement put up by the Office that there was one Mr Kulasekhara Mudaliar, Food Analyst who was senior to both Mr Annadanappa and Mr Srinivasiah and he was also a graduate. So if they said that they had taken into consideration merit and seniority, then they ought to have considered the claims of the Food Analyst also ~~If~~ it was stated that the Food Anyalyst was a specialist in a particular line, then the same thing held good with regard to the Prosecuting Inspector also, who was also new to the work of Octroi Superintendent If given a chance, everyone was - capable of doing the work Because the Council was the authority in these matters, they should always think of meeting out justice to one and all. Further, it was the Commissioner who was responsible for extracting work from these people and his voice also should be heard His opinion in these matters should be given due consideration and it was better if the Council had taken his opinion in the matter It was for these reasons, he had to differ from the proposition placed before the House, though he knew it would be carried by the majority

Mr L S Raju, replying to the above said that the - claims of the Food Analyst were also taken into consideration and as he was specialist in his line, it was though better to keep him there alone The best man had been selected and this may be approved

Resolution - Approved

CONFIDENTIAL

Dated 24th July 1942

Dear Mr Narayanaswami Naidu,

In continuation of this Office letter No A1-319/41 dated 23-7-1942, forwarding the resolution of the Municipal Council proposing to appoint Mr Annadanappa the Prosecuting Inspector of this Municipality as - Octroi Superintendent on 100-10-150-25/2-250 I request you to kindly bring the following facts to the notice of Government

Mr Annadanappa was appointed on Rs 50/- on 8-12-1937 as acting Prosecuting Inspector The scale of the appointment was revised by Government in their Order No L.6939-40/ M1 26 39-75 dated 5-2-1940 and his salary was fixed at Rs 60/- in grade 60-4-80 He has begun to draw Rs 68/- from 5-2-1942

I am not well impressed with his work generally He lacks in adequate administrative experience. The - Octroi Department is a big branch of the Municipality with an annual income of over 4 lakhs of rupees There are 60 officials in superior service and 58 menials in the establishment That being so, I am of opinion that only an experienced Officer of fairly long service both in the ministerial and executive line can only be placed in -

in charge of such an important place.

Though Mr. Annadanappa belongs to the Vakkaligar Community and probably if the Government so direct may be given chances of promotion after he gets training in different - branches of the Municipality, I am positive that he is not at present suited for the post of the Octroi Superintendent either by experience in office work or executive work in any branch of municipal office proper. He lacks also the personality which I consider not unimportant for controlling a fairly big staff The only work he has till now done is to prosecute municipal cases and he has not created a good impression on me If only seniority of pay is to be considered, he is not even the senior-most official, as there is another raw graduate drawing Rs 90/- as Food Analyst

In case we consider the total service, Mr A Subbaraj Urs, the Sanitary Inspector who is drawing Rs 79/- in grade 55-4-87 and who worked in the Mysore Octroi Office as Head Amin and Inoice Inspector for about 8 years has a claim for the post

But in view of the importance of the place in the premier Municipality of Bangalore, I venture to submit that there is not one official suited for the post in this -

Municipality In case approval is accorded to the resolution of the Municipal Council, I am sure the interests of the department will be adversely affected I may be pardoned for expressing my views strongly, as I feel that I would be failing in my duty if I do not apprise Government of my views in such an important matter.

Probably the Municipal Councils' point of view is that they should give promotion to their own man While conceding this principle, I think we cannot sacrifice efficiency on the altar of an impracticable principle, as a suitable candidate is not available for the post for this particular appointment

In case the Government desire to give a chance to a Municipal employee, I may be permitted to propose that Mr Subbaraj Urs may be appointed to act as Octroi Superintendent and transferred to Mysore where the work is comparatively light and the grade also is low and Mr Siddappa may be transferred to Bangalore

If the above proposal does not meet with the approval of Government, I may be permitted to suggest that either an

as solicitor or experienced officer of the Revenue Depart-
ment is in the list considered eligible for solicitor may
similarly be selected for the post.

Yours sincerely,

BANGALORE CITY

Dated 12 8 1942

To,

C Narayanaswamy Naidu Esq , B A , LL B ,
Secretary, Law and Local Self Government
Old Public Offices, Bangalore.

Sir,

Ref - Resolution Dated 15 7 42 of the City - Municipal Council, Bangalore Re The appointment of Octroi Superintendent.

It has been strongly romoured that the Commissioner was engaged in addressing a confidential D.O. letter urging upon the Government to veto the above resolution of the Council. Assuming that there is such a D.O letter I think it my duty in the - absence of the President, to put forward the actual circumstances leading to the Resolution adopted by the Council

When the then Octroi Superintendent Mr Siddalingappa was proposed to be appointed as Revenue - Officer, the Commissioner expressed his anxiety that the place of the Octroi Superintendent should be fil-

filled up early by an official of this Municipality and accordingly placed a list of sixteen officials both executive and ministerial who were then working in the several branches of the Municipality. The President then requested the Commissioner to give details of two Officials namely, Mr. Srinivasaiya the Market Inspector and Mr C.Annadanappa the Prosecuting Inspector who were the senior-most officials of the Executive line from the list furnished by the Commissioner. While furnishing the details accordingly, the Commissioner made a further recommendation of the name of Mr.Kulasekhara Modliar who holds the post of Food Analyst working in the Chemical Examiner's Office, but borne on the Municipal Establishment.

The consideration by the Council was restricted to the Executive officials. Mr. Kulasekara Modliar was considered to be unsuitable for the post since he is a mere specialist doing only laboratory work. Then the case of Mr Srinivasaiya was taken into consideration But he was found to be not only

junior to Mr. C.Annadanappa according to the C.R.B. rules, but also possessed of very low qualifications

Mr. Annadanappa was found to have high - academic qualifications and also possessed intimate knowledge of the working of the various - branches of the Municipality in his capacity as Prosecuting Inspector for fairly a long time. In addition, he had taken an active part in framing and bringing up to date the bye-laws of the Municipality including those of Octroi Department along with Mr. M.A.Gopalaswamy Iyengar, Advocate, in virtue of a Government Order appointing them for the purpose. Further, Mr Annadanappa is very well spoken of by his immediate superior the Health Officer and by the members of the local Bar with whom he has come into contact for high character, industry and intelligence.

Before the conclusion of the deliberations on this subject, the Commissioner was specifically

asked to give his opinion and inanswer thereto ~~kk~~ he stated that he would abide by the decision of the Council which inferentially means that he had no objection to the selection.

At this stage, I may also bring to the notice of the Government, that one Mr. Subbaraje Urs, a sanitary Inspector under transfer ~~of~~ to this Municipality had applied from Davanagere for appointment to this post. He was not recommended by the Commissioner nor was he included in the list furnished by him The Council had no further information about his past history as he was a recently ~~kkkk~~ lent official to this Municipality. Further, he had obviously no qualifications worth the name to propose him to the post.

Apart from the question of propriety and the constitutional issues involved therein, the D.O. if any, may be presumed to have been written with a view to thwart the unanimous decision of the Council and also support the return of Mr. Siddappa whose transfer to this Municipality and subsequent reversal by the Government are very well known to the Government

and the Council I may also venture to state that Mr. Siddappa did not impress the council in any way, and that the Octroi Revenue for the short period of 4 months during which he was in charge of the department, fell by a phenomenal figure of Rs 30,000/- when compared to the same period ~~of~~ during the previous year. Hence there was no reason for the - Council to consider his case for any preferential treatment.

Under the above circumstances the contents of the D.O. are not entitled to consideration inasmuch as the selection has been made out of the list recommended by the Commissioner and that he undertook to abide by the decision of the Council which has been incorporated in the Proceedings of the - Council, the copy of which has been sent to Government in extenso The D.O. letter ought not to be countenanced nor could it over-ride the unanimous resolution of the Council in the matter. In the

the light of the above facts, I request that the resolution of the Council, may be approved at an early date.

I beg to remain
S i r,
Your most obedient Servant,
V Venkatasubbaiah Chetty
Vice-President,
City Municipal Council,
Bangalore.

Dear Sir,

With reference to your letter No.A5-687/41 dated 24th July 1942 regarding the appointment of Octroi Superintendent of the City Municipality, Bangalore, I am desired to point out that what you have stated in the above letter is contradictory to the views you have expressed in the matter at the meeting of the Municipal Council held on 15th July 1942 I am to observe that you ought to have given your honest opinion to enable the Council to take a judicious decision after considering your views in the matter. Having expressed in the Council that you had nothing to say in the matter and that you would abide by the decision of the Council, your writing a D.O. strongly objecting to the decision of the Council is not proper. I am also to add that it is not appropriate to refer to the community to which Mr. Annadanappa belongs as the relevant question was whether the candidate was qualified to hold the post or not.

Yours sincerely,
